### BOOKS WILL BE RETAINED

MUTUELS WILL NOT BE INSTALLED AT THREE CANADIAN TRACKS THIS SEASON.

Old Method of Speculation to Continue at Dorval, Ottawa and Hamilton-Other Clubs on Circuit Arrange to Employ Pari-Mutuel System.

Toronto, Ont., January 18.—Unless there is a change in heart in the interval between now and the opening of the Canadian racing season there will be three clubs that will not install the mutuels this season, though it was announced in 1913 that the canadian Racing Associations had decided that the maturel method of investment would be the one in vogue throughout the circuit of 1915. Indeed, it was generally supposed that this decision was compulsory, as a result of a compromise between those clubs that wanted the change in 1913 and those that desired to wait a while before making the innovation. However, if there was such an agreement it does not hold now, as the Hamilton Jockey Club will retain the old bookmaking method, and so will borval and Ottawa. The latter two clubs, though represented at the meeting at which dates were allotted, are not members of the Canadian Racing Associations, while Hamilton is.

The retention of the bookmaker at Ottawa and Lorval is said to be based on financial grounds, both of these clubs being newly in the field, with heavy financial burdens to carry and unwilling to risk the uncertainty of the revenue to be obtained through the mutuel method, the installation of which involves a considerable addition to their liabilities for the purpose of erecting new buildings, buying the machines and paying a large staff of operators. With Hamilton it is said to be a matter of preference, not of economy, and it has always been moderstood that the original vote on the question found Hamilton in opposition. At Blue Bonnets, Woodbine, Fort Erie and Windsor, the other members of the Canadian Racing Associations, there will be no more bookmaking, and the mutuels will be the sole method for speculation. Woodbine is already equipped with the necessary paraphernalia, having employed the mutuels for two years with success, and the other three clubs will proceed for the other three clubs will proceed for the proceed for the other three clubs will proceed for the other three clubs will proceed for the

# JOCKEY POOL IN EXTRA GOOD FORM.

### Lew Marion's Apprentice Pilots Three of His Mounts to Victory in Mud at New Orleans.

New Orleans, La., January 18.—Jockey Pool came into the limelight at the Fair Grounds today when he accounted for half of the eard of six races. He began his series of successes with Ida Lavinia in the third race and followed it up with victories on Joe Stein and Beau Pere in the fifth and sixth races respectively.

Weather conditions this afternoon were the severest of the season and it was a remarkable tribute for the sport that the attendance continued to be of large proportions. Rain which fell Sunday and today made the going difficult and brought about numerous withdrawals. Followers of favorites fared poorly, Joe Stein alone saving them from utter rout. He was put to a terrific drive to outstay Mordecai in the fifth.

The worst upset was the victory of Golderest Girl in the six furlongs sprint engaging some fairly useful printers. She showed all of her old-time form today and, finishing in sensational fashion, got up in time to beat the intended "good thing" Richwood, with the favorite, Undaunted, following, Golderest Girl's victory incidentally enabled jockey John ny McTaggart to land his first winner of the season, Jockey W. W. Taylor was suspended for three days by the starter for disobedience at the post wither fiding Day Day.

### PAN ZARETA IS AN EASY WINNER.

Newman Mare Carries 136 Pounds to Victory in Overnight Handicap at Juarez.

El Paso, Tex., January 18.—Making prodigious concessions of weight to her opponents, Pan Zareta added to her long string of successes when, carrying the exacting impost of 136 pounds, she scored an easy victory in the five and a half furlong handicap that served as today's racing feature at Juarez. The outcome of the race was regarded as such a foregone conclusion that the bookmakers would never quote more liberal odds on her chance than 1 to 8. The Newman mate had Loftus as her pilot and after cantering in front all the way, she was eased up at the finish. Little Will, from the Fuller stable, was the runner-up most of the way but at no time could he get close to the flying leader, which was conceding him 44 pounds in actual weight.

The two-year-old race produced a great surprise when Clayton Morris' Smiling Maggie, a first time starter, by Smire—Margaret M., lasted to beat Test the 1 to 4 favorite, by a nose.

Early Wright put over a well-backed "good thing" when Magic won the second race in a hard drive with Moscowa. Oholus was the favorite for this race and came from far back to be third.

Blue Beard won the third. He was a joint favorite with Clsko, which Mary Emily beat out for second money.

Minco Jimmie was held in highest esteem for the fifth and was well backed. He lost by a nose to

Mineo Jimmie was held in highest esteem for the fifth and was well backed. He lost by a nose to Claribel, which finished like a lion. Orimar Lad ran umplaced in this race for the first time in thirteen starts.

Sam Grigsby, a horse belonging to Lawrence & Kelly, broke his leg when he fell while being worked this morning and was destroyed.

The appearance of Pan Zareta on the program attracted a big crowd to the course this afternoon. Seneca, looked upon as the most formidable of her prospective opponents, took sick in the paddock just before post time and was withdrawn, twenty minutes being allowed for a new book.

The suspensions of Phil China, P. Knebelkamp and jockey J. Collins, according to Judge C. F. Price, were brought about by charges made by jockey L. Hartwell that jockey Collin strength to bribe him to pull Gennmell last Wednesday. Gemmell won on that day and Blue Racer, trained by Mr. China, which was the medium of tempted coup, was unplaced in the same race. The case against Knebelkamp arose out of a race last Monday won-by Planetary, trained by Miller Henderson and ridden by Collins, Petit Bleu, wucking wished last in this race, was ridden by Miller Henderson and ridden by Collins, Petit Bleu, wucking and him to research the horses trained by Henderson, who employs Collins.

The stewards are still investigating the matter and had three riders before them this morning, but nothing new was given out.

S. M. Henderson was fined \$50 for registering Tory Maid in the name of C. H. Knebelkamp so the latter could get a badge, the filly being his property. Price McKinney and James Corrigan, two of the leading stockholders of the Jockey Club Juarez, rourned to their homes in Cleveland after spending some time enjoying the sport at Juarez. They will be back within a couple of weeks for another extended stay.

Jefferson Livingston has signified his intention of coming here early in February to remain for a week or so. While here it is expected he will arrange for the sale of the powers and the property. Price

# NOTES OF THE TURF.

It is understood that Bowie has asked the Jockey Club for dates for fifteen days of racing, commencing April 1. Havre de Grace and Pimlico made application for much the same dates as last year, although it is said that Pimlico asked to be allowed to move up five days and begin its meeting May 5.

May 5.

The funeral of the late Jerry baley took place yesterday from St. Mary's Catholic church at Wabash avenue and East Ninth street, this city. The hody was forwarded by friends from Havana, where the deceased bookmaker was shot by a Cuban court clerk named Francisco de Rarrio when he resented a derogatory remark against H. D. Brown, builder of the new track at Havana.

That Irish race horse owners do not take too pessimistic a view of the near future is made manifest by the manner in which they have supported races

to be decided in Ireland next season. It is also obvious that there is little falling off in the number of yearlings that have gone into training, which is proved by the engagements made for juveniles in the more important events advertised to be run for in 1915. The great majority of these have now closed and, while the entries for a few are slightly below normal, the number at other places shows an advance on previous years.

an advance on previous years.

Track superintendent Frank Kelly was all smiles following the breaking of the Fair Grounds record for the mile by Bayberry Candle, His friends congratulated him over this further proof that the force under Kelly's direction had done splendid work in rebuilding the famous old track in preparation for the meeting. T. C. Campbell, member of the executive committee of the Business Men's Racing Association, was happy over the brilliant feat of Bayberry Candle, as he has long predicted that the track would be faster during this meeting than every

before, for the reason that about thirty thousand gallions of petroleum were sprinkled on the course under Mr. Campbell's direction in preparing it for automobile racing carnivals that he promoted in the past. The petroleum, soaking in, rave the track a firm base such as it never had before, and tends to make it dry out more easily after a rain.—New Orleans Times-Picayune.

# GENERAL NEWS NOTES OF THE DAY.

Verdun has been encircled by German troops, according to official announcement in Berlin. This news was hailed by German military experts as surpassing in importance that of the German accesses before Soissons. German successes in the Arras district and the Argonne forest are announced in an official report from the German general staff, it states that German troops have advanced at La Boisele. In the Argonne the Germans claim to have taken several trenches, almost annihilating their occupants. In Poland the Germans claim to have repulsed the Rassians attempting to cross the river Skrva. Russian reports of successes in East Prussia and Northern Poland are officially denied in Berlin. It was stated that the Germans are maintaining their positions in these regions, at the same tme making gains west of Warsaw. The official statement from Paris disputes the German report of victories in the Argonne, saying that the atracks were repulsed. While the main Russian army has been busy re-Verdun has been encircled by German troops, rding to official announcement in Berlin.

While the main Russian army has been busy repelling what Grand Duke Nicholas in his official report describes as a series of violent attacks by the Germans to break through to Warsaw, other Russian forces have stormed Kirlibaba pass, on the 75 cents in leather covers.

borders of Transylvania, and have made further progress in their advance along the right bank of the Vistula toward the German frontier. The Germans in force have delivered seven successive attacks, which developed into desperate bayonet fighting, on the Russian lines on the left bank of the Vistula, and have succeeded in taking one of the Russian advance trenches.

Vistuia, and have succeeded in taking one of the Russian advance trenches.

The battle of Kara Urgan (Turkish Armenia) has ended in a complete victory for the Russians, and remnants of the defeated Turkish army are in full flight to Erzerum, it was officially announced at Petrograd. The fleeing Ottoman soldiers are being pursued by the Russians. The Turks are abandoning guns, ammunition and food supplies. The official report from the Russian general staff states that the defeat of the Turks is the "greatest victory won in the Caucasus."

Licutenant-General Stoessel, the Russian commander who was sentenced to ten years' imprisonment for surrendering Port Arthur to the Japanese, died Sunday. After serving about a year of his sentence in the military fortress of St. Peter and St. Paul, General Stoessel's health broke down and he was freed by Car Nicholas. Two years ago he suffered a stroke of paralysis from which he never recovered, and it was this ailment which ultimately caused his death.

caused his death.

From the Argonne to upper Alsace the combatants in the great war are floundering through enormous wastes of snow. Military operations are checked, but not ended, Both sides are trying to benefit by the changed weather conditions and are endeavoring to force artillery, with infantry supports, through the blocked forests and mountains. Fighting for the trenches and foundry buildings in the vicinity of Blangy, east of Arras, continues with varying results.

An increase of 70 per cent, in the price of wheat in England compared with that of a year ago and similar advances in other foodstuffs are giving rise to a demand for government control of food supplies. The General Federation of Trades Unions has taken up this subject and intends to urge the government when parliament meets to take steps to prevent speculation in food products. The price of wheat is higher than at any previous time in fifty years.

Provisional President Eulalio Gutierrez has been superseded as head of the Mexican convention government by Gen. Roque Gonzales Garza, presiding officer of the convention, which has elected him provisional president to serve until an election shall be held and a president duly selected by ballot. General Gutierrez left Mexico City immediately for Prachuca.

That English precedents have been violated by the British admiralty in its methods of searching and detaining American merchant vessels and ships carrying American cargoes is a contention that will be made by the state department at Washington in further representations to the British government in regard to the shipping controversy.

The frequency of the earthquake shocks in Italy is diminishing. The seismograph has registered only eleven Sunday in the region of the Avezzano and Sora and none in Rome. The material damage, it is estimated, will exceed \$60,000,000.
